Prepared: 2026-07-30

Prepared for review by counsel. Documents (1) what the page publishes about Advance Design Studio, (2) the source on Advance Design Studio's own public website for each statement, and (3) what the page does not contain. Factual compilation, not legal advice.

1. What the page is

A comparison page ("GS Construction vs Advance Design Studio") that:

- refers to Advance Design Studio by name, in plain text only, for identification;
- presents a criteria table where the "GS Construction" column describes our own business and the "Advance Design Studio" column contains either facts published by Advance Design Studio on its own website or generic guidance ("Varies - verify directly with the company");
- carries a disclaimer: "Informational comparison of publicly available information about Advance Design Studio. Trademarks belong to their respective owners - verify details directly with each company.";
- shows a "Verified {month year}" line and links to both the source site and its Internet Archive copies.

2. What the page does NOT contain (verified programmatically, 2026-07-30)

Potential allegation	Finding
Use of Advance Design Studio's images	None. Every /srcset asset on the page was enumerated (23 references): none is served from www.advancedesignstudio.com or any third-party host. All photography is GS Construction's own.
Use of Advance Design Studio's logo or trademarks beyond the name	None. The name appears as plain text for identification; the disclaimer states trademarks belong to their owners.
Copied website content / marketing copy	None. Automated comparison of our page prose against 1,789 words captured from their site found no shared word sequence of 8 words or more.

3. Statements we publish about Advance Design Studio, with source

1. Primary service area

- Our page says: Barrington, Crystal Lake, and nearby towns
- Closest wording found on their site: "A Whole Home Remodel & 3-Story Addition in Barrington."
- Term overlap: 20% - candidate match, machine-found, not yet reviewed by a human
- Capture searched: homepage - <https://advancedesignstudio.com/>

4. Verbatim-overlap check against their site

No sequence of 8 or more consecutive words appears in both our page and the 1,789 words captured from their site. Our prose is independently written.

Method: both texts reduced to lowercase word tokens with punctuation removed, then compared for shared runs of 8+ consecutive tokens. Attributed citation quotes are excluded from our side so they are assessed separately in Sec.3.

5. Independent third-party timestamps

Internet Archive captures are dated copies held by a third party, independent of both GS Construction and Advance Design Studio. They corroborate what the site published without relying on either party's own record.

6. Context that may be useful to counsel

- Comparative advertising: the page follows standard truthful comparative-advertising practice - factual side-by-side, disclaimer, "verify directly" guidance, no use of the competitor's marks beyond the name itself.
- Nominative fair use: the competitor is identifiable only by name; no logo, styling, or trade dress is reproduced.
- Standing correction practice: the site records a last_verified date and re-verifies on a documented workflow; any demonstrated

inaccuracy is corrected promptly.

- Consumer-guidance alignment: the comparison hub links to the Illinois Attorney General's consumer-protection guidance, which advises homeowners to "Get more than one estimate and get them in writing."
