Evidence Pack - GS Construction vs Scott Lyon & Company

Page: <https://gs.construction/compare/scott-lyon-company>
Competitor site: <https://www.scottlyonconstruction.com>
Prepared: 2026-07-30
Page fact-check date recorded in site config: last_verified = 2026-07-16
Prepared for review by counsel. Documents (1) what the page publishes about Scott Lyon & Company, (2) the source on Scott Lyon & Company's own public website for each statement, and (3) what the page does not contain. Factual compilation, not legal advice.

1. What the page is

A comparison page ("GS Construction vs Scott Lyon & Company") that:

- refers to Scott Lyon & Company by name, in plain text only, for identification;
- presents a criteria table where the "GS Construction" column describes our own business and the "Scott Lyon & Company" column contains either facts published by Scott Lyon & Company on its own website or generic guidance ("Varies - verify directly with the company");
- carries a disclaimer: "Informational comparison of publicly available information about Scott Lyon & Company. Trademarks belong to their respective owners - verify details directly with each company.";
- shows a "Verified {month year}" line and links to both the source site and its Internet Archive copies.

2. What the page does NOT contain (verified programmatically, 2026-07-30)

Potential allegation	Finding
Use of Scott Lyon & Company's images	None. Every /srcset asset on the page was enumerated (29 references): none is served from www.scottlyonconstruction.com or any third-party host. All photography is GS Construction's own.
Use of Scott Lyon & Company's logo or trademarks beyond the name	None. The name appears as plain text for identification; the disclaimer states trademarks belong to their owners.
Copied website content / marketing copy	None. Automated comparison of our page prose against 455 words captured from their site found no shared word sequence of 8 words or more.

3. Statements we publish about Scott Lyon & Company, with source

4 statement(s). 4 carry a recorded verbatim citation shown on the live page as a hoverable mark linking to the source.

4. Verbatim-overlap check against their site

No sequence of 8 or more consecutive words appears in both our page and the 455 words captured from their site. Our prose is

independently written.

Method: both texts reduced to lowercase word tokens with punctuation removed, then compared for shared runs of 8+ consecutive tokens. Attributed citation quotes are excluded from our side so they are assessed separately in Sec.3.

5. Independent third-party timestamps

Internet Archive captures are dated copies held by a third party, independent of both GS Construction and Scott Lyon & Company. They corroborate what the site published without relying on either party's own record.

6. Context that may be useful to counsel

- Comparative advertising: the page follows standard truthful comparative-advertising practice - factual side-by-side, disclaimer, "verify directly" guidance, no use of the competitor's marks beyond the name itself.
 - Nominative fair use: the competitor is identifiable only by name; no logo, styling, or trade dress is reproduced.
 - Standing correction practice: the site records a last_verified date and re-verifies on a documented workflow; any demonstrated inaccuracy is corrected promptly.
 - Consumer-guidance alignment: the comparison hub links to the Illinois Attorney General's consumer-protection guidance, which advises homeowners to "Get more than one estimate and get them in writing."
